PRODUCTS INC.

**PRODUCT INFORMATION**  
**KN95 HEADBAND FACE MASK**

The KN95 Headband Face Mask is a respirator face mask with a headband style. Designed to filter particles, viruses, and microbes, it is made of a multi-layer filtration system of non-woven breathable fibers. The material of the mask includes 46% non-woven polypropylene, 28% melt-blown fabric, and 26% ES hot air cotton, and the headband is latex free. Plus, for a better fit, this face mask features an adjustable aluminum nose piece. The KN95 Headband Face Mask is FDA authorized for use in healthcare settings during the COVID-19 public health emergency and meets KN95 standards, which means that they are effective against 95% of particles. One package comes with 10 face masks intended for single use. Please note that wearing a mask does not eliminate the risk of infection, as it depends on the proper fit of the wearer.
