**PRODUCT INFORMATION**  
RADIATION FACE MASK, PANORAMIC STYLE

The Radiation Face Mask, Panoramic Style is a face mask designed to provide protection against radiation. It has a panoramic style, eliminating blind spots caused by standard glasses and giving you a huge area of protection from radiation. This Phillips Safety radiation face mask features 0.12mm PbEq protection, a ratcheting headband, and weighs 410g. In addition, the Radiation Face Mask, Panoramic Style can be worn over glasses, so it is great for people who wear glasses or who want to protect more than just their eyes.
