PRODUCT INFORMATION

SHIP FLAT BARRIER

The Ship Flat Barrier is a lightweight lead mobile barrier made for mobility, maximum protection, and global shipping. This barrier features a lightweight, super-high-strength aluminum frame and hospital-grade casters for easy mobility, with 4 brakes included. Weighing 105 lbs, it ships conveniently via UPS.

The barrier also features a lead acrylic window measuring 30 inches wide by 24 inches high with .50mm L.E. on the top and bottom, and a lower opaque panel measuring 30 inches wide by 42 inches high with .5mm L.E. Additionally, assembly is easy with just one box, one wrench, and four bolts (all included).
