PRODUCT INFORMATION
BIB STYLE LIGHTWEIGHT LEAD THYROID SHIELD

The Bib Style Lightweight Lead Thyroid Shield is a comfortable, effective collar designed to reduce radiation exposure, offering reassurance with its robust safety features. Both medical professionals and patients will find the Velcro straps convenient for easy adjustment and secure fit. Providing essential protection with a lead equivalency of 0.50mm Pb, this shield is crafted to prioritize safety during medical procedures.

Available in six vibrant colors, this lead thyroid shield not only ensures safety but also adds a touch of personal preference. Each color option is carefully chosen to offer both functionality and aesthetic appeal, catering to diverse preferences in healthcare settings. Whether you're seeking reliable radiation protection or looking to inject a bit of color into clinical environments, the Bib Style thyroid x ray shield stands as a reliable choice for both practicality and style.
