PRODUCT INFORMATION

DANGER: LASER IN USE (FRENCH-ENGLISH) LED SIGN

The Danger: Laser In Use (French-English) LED Sign is a lightbox specifically designed to provide clear and visible bilingual warnings for areas where laser equipment is in use. This high-quality LED sign features bright illumination to ensure maximum visibility, even from a distance or in low-light conditions. The “Danger: Laser En Cours/Laser In Use” message is prominently displayed in both English and French, effectively communicating the presence of laser hazards and the associated safety precautions. Ideal for use in medical facilities, research labs, industrial settings, and any location where laser equipment is operated, the Danger: Laser In Use (French-English) LED Sign is an essential safety tool to help protect personnel and visitors.
