## PRODUCT INFORMATION

### CAUTION RF/MICROWAVE ENERGY CONTROLLED AREA LED SIGN

The Caution RF/Microwave Energy Controlled Area LED Sign is specifically designed to provide clear and visible warning in areas where RF (Radio Frequency) or microwave energy is present. This high-quality LED sign features bright illumination for maximum visibility, even in low-light conditions. The “Caution RF/Microwave Energy Controlled Area” message is prominently displayed, alerting individuals to potential electromagnetic radiation hazards and the need for precautionary measures. Ideal for use in research facilities, telecommunications centers, and industrial settings, this sign helps ensure safety compliance and enhances awareness of electromagnetic radiation risks.

## SPECIFICATION

**SIZE:** 311.20mm x 193.30mm

**COLOR:** White, Yellow, Black
