PRODUCT INFORMATION

ATTENTION/CAUTION: X-RAY IN USE (FRENCH-ENGLISH) LED SIGN

The Attention/Caution: X-Ray In Use (French-English) LED Sign is a lightbox specifically designed to provide clear and visible bilingual warnings for areas where X-ray equipment operates. This high-quality LED sign features bright illumination to ensure maximum visibility, even from a distance or in low-light conditions. The “Attention/Caution: Rayons X En Cours/X-Ray In Use” message is prominently displayed in both French and English, effectively communicating the presence of X-ray hazards and the associated safety precautions. Ideal for use in medical facilities, dental offices, research labs, and any location where X-ray equipment is used, the Attention/Caution: X-Ray In Use (French-English) LED Sign is an essential safety tool to help protect personnel and visitors.
