

RADIATION GLASSES

Ray-Ban Elliot

FRAME INFORMATION

The Ray Ban radiation glasses Elliot feature high-quality, distortion-free SF-6 Schott glass radiation-reducing lenses with 0.75mm Pb lead equivalency protection. These Ray Ban lead glasses have clear CE Certified Lens and weigh 72g. Plus, the Elliot radiation glasses are prescription available. Made of high-quality plastic, they have a durable and lightweight square frame. These lead glasses feature a high bridge fit and are available in two color variations: polished havana and polished black.
