

RADIATION GLASSES

Ray-Ban Wayfarer Way

FRAME INFORMATION

The Ray Ban radiation glasses Wayfarer Way feature high-quality, distortion-free SF-6 Schott glass radiation-reducing lenses with 0.75mm Pb lead equivalency protection. These Ray Ban lead glasses have clear CE Certified Lens and weigh 75g. Plus, the Wayfarer Way radiation glasses are prescription available. Made of high-quality plastic, they have a durable and lightweight wayfarer frame. These lead glasses are available in two color variations: polished black and polished havana.
