

EU type-examination certificate

C1662.3PSP

Applicant / manufacturer Phillips Safety Products Inc.

123 Lincoln Blvd. Middlesex, NJ 08846

USA

Identification of the manufacturer PSP

Product type Laser protection filter

Model name LS-CR39

Standard(s) / Essential requirements according to

technical rules Annex II of the PPE Regulation (EU) 2016/425

EN 207: 2009, EN 207: 2017

Test report(s) 11501-ECS-13,

2084-ECS-24 / MR 208411-ECS-24

Material and CR39, 6base filter

specifications Luminous transmittance: 90%

Increased robustness (S)

Marking 2790 DI LB3

2940 DI LB3 PSP S CE

Herewith, ECS certifies that the named model complies with the essential requirements for health and safety as they are provided by the European Regulation (EU) 2016/425 for Personal Protective Equipment. This certificate is based both / either on the test results as they are summarized in the named test reports, and/or on the technical documentation as it is delivered by the manufacturer. The applicant / manufacturer agrees to the General Business Rules of the ECS GmbH and to additional agreements as they are named in the application for conformity assessment.

The eye-protection device is to be marked as assigned. Either / both the frame and/or the ocular, spectacle, goggle or shield must be signed, as appropriate. If different markings have been assessed, the lowest marking must be applied, respectively. The validity of this EU type-examination certificate will expire on the date as mentioned below, and/or if the manufacturer modifies the safety-relevant properties of this product with comparison to the tested one and/or if the requirements in the standards or technical rules will be revised and/or tightened.

Name, address and identification number 1883 of the notified body ECS are to be indicated in the information brochure of this product.

This EU type-examination certificate is valid until 2029-12.
