PRODUCT INFORMATION
DISPOSABLE THYROID COLLAR (10 PACK)

The Disposable Thyroid Collar (10 Pack) offers a practical and hygienic solution for medical professionals and patients. Available in both medium and large sizes, this collar is designed for single-use, eliminating the need for cleaning and ensuring maximum convenience. The collar provides 0.5 mm Pb-equivalent lead-free protection, reducing radiation exposure while maintaining safety during medical procedures.

This ultralightweight thyroid collar is comfortable to wear and helps minimize the risk of cross-contamination. Each box contains ten collars, making it a cost-effective choice for maintaining a sterile healthcare environment. Ideal for medical settings where hygiene and safety are paramount, the Disposable Thyroid Collar is your go-to option for effective, disposable protection.
