**PRODUCT INFORMATION**  
LEAD FREE BLOCKERS .50MM PB EQ

The Lead Free Blockers .50mm Pb Eq are designed with a Blue Vinyl outer coating on two sides. These environmentally safe blockers offer a safe alternative to Lead Blockers. Our Lead free Blockers have a smooth non-absorbent surface for sanitary re-use. Available in a range of sizes, these lead free blockers provide reliable shielding for a variety of professional, Imaging and industrial applications. With their .50mm Pb Eq rating, they ensure enhanced safety and effectiveness in radiation-sensitive settings. We offer custom printing and sizes in addition to our standard stock offerings.
