## PRODUCT INFORMATION

### CONTROLLED AREA X-RAYS NO ENTRY LED SIGN

The Controlled Area X-Rays No Entry LED Sign is specifically designed to provide clear and visible warning in areas where X-ray radiation is present. This high-quality LED sign features bright illumination for maximum visibility, even in low-light conditions. The "Controlled Area X-Rays No Entry" message is prominently displayed, alerting individuals to potential radiation hazards and the need for restricted access. Ideal for use in medical facilities, research laboratories, and industrial settings, this sign helps ensure safety compliance and enhances awareness of X-ray radiation risks.
